

# A 507 SE/10K

Technical summary | 230 V | EN

|                      |                            |
|----------------------|----------------------------|
| KSB reference        | 29128666                   |
| Type                 | Submersible drainage pump  |
| Version              | Cooling jacket, with float |
| Power supply         | 1 x 230 V                  |
| Frequency            | 50 Hz                      |
| Rated speed          | 2850 rpm                   |
| Input power P1       | 1.26 kW                    |
| Rated power P2       | 0.75 kW                    |
| Free passage         | 10 mm                      |
| Discharge connection | G 2                        |
| Cable length         | 10 m                       |
| Cable conductors     | 3 x 1.00 mm <sup>2</sup>   |
| Weight               | 14.7 kg                    |

## Application and selection

Water without faecal matter. Select by flow rate and head.

Confirm installation suitability and electrical protection before ordering.
