

KSB AmaDrainer A358

Submersible drainage pump | 230 V / 50 Hz
Reference 48034487

Vertical, single-stage, close-coupled pump with an integrated float switch for automatic operation. Suitable for draining basements, pits and collecting tanks.

Technical data

Power supply	230 V / 50 Hz
Input power P1	0.85 kW
Rated power P2	0.43 kW
Rated current	4.0 A
Free passage	35 mm
Discharge	G 1 1/2
Power cable	10 m 3 x 0.75 mm ²
Net weight	6.8 kg
Protection / maximum immersion	IP68 / 2 m
Control	Integrated float switch

Use and selection

A version for clean water and wastewater without faecal matter. Do not select this version for seawater or aggressive liquids.

Liquids up to 50 °C in continuous operation; up to 90 °C for a maximum of 3 minutes. Not for faecal matter or abrasive fluids. Check the duty point against the KSB performance curves before selection.

Confirm availability and suitability for the installation before ordering. Shipping weight including packaging to be confirmed.
